

Welcome to the UR alumni family, Class of 2007!

Dear Class of 2007,

Would you like to meet other University of Richmond young alumni in your area? Then come to a **Welcome Party for the Class of 2007** to make connections with new and old Spider friends and continue your University of Richmond experience.

Though young alumni are active in many chapters, areas with the largest young alumni populations (mainly large metropolitan areas) have a more formal presence. We've identified a few cities as popular destinations for University of Richmond young alumni, and we hope you'll join us for a happy hour on Wednesday, September 5, 2007 in the following cities:

Atlanta, Boston, Chicago, Dallas, New York City, Philadelphia, Richmond, Washington, D.C.
